North Shore Water Reclamation District

YOUR VOICE MATTERS and EVERYONE IN YOUR HOUSEHOLD COUNTS

The North Shore Water Reclamation District is joining municipalities in the District to remind you to **FILL OUT YOUR CENSUS! You have the power to affect funding for the next 10 years in your community.** The information collected is used to determine the allocation of federal funds for schools, hospitals, infrastructure, housing initiatives, and representation in Congress, and more.

It is quick, easy, and confidential but it **must be completed by September 30th**. Online, visit my2020census.gov, by phone, call 844-330-2020, or fill out the paper questionnaire using a blue or black ink pen, and mail it in the provided return envelope.

We are counting on you to be counted!
