

Compliance with Public Act 097-0609

Public Act 097-0609 requires that, within 6 business days after an employer participating in the Illinois Municipal Retirement Fund approves a budget, that employer must post the total compensation package for each employee having a total compensation package that exceeds \$75,000 per year. Public Act 097-0609 also requires that at least 6 days before an employer participating in the Illinois Municipal Retirement Fund approves an employee's total compensation package that is equal to or in excess of \$150,000, that employer must post the total compensation package for each employee. The information may be posted at the employer's website or at the principal office of the employer. For purposes of the Act, total compensation package means payment by the employer to the employee for salary, health insurance, a housing allowance, a vehicle allowance, a clothing allowance, bonuses, loans, vacation days granted, and sick days granted. The following report is being provided in compliance with Public Act 097-0609.
